

# KEYS

---

You've been given  
The Keys to the Kingdom

What have you done with them?  
What have you done with them?

Have you set the captives free?  
Set the captives free?

Have you loosed the prisoners' bonds?  
Have you brought light to those in darkness?  
Have you opened the prison door,  
That they come out, and sin no more?

What have you done with them?  
(What have you done with them?)

The Keys to the Kingdom  
Keys to the Kingdom

Bread of Salvation to the hungry,  
(Have you given them?)  
Word of Life to the weary  
(Have you given them?)

Remove the heavy burden  
Break that worldly yoke  
Release the anointing that breaks that yoke!

Have you freed them?  
Have you freed them?

You've been given the Keys to the Kingdom  
What have you done with them?  
What have you done with them?

Jesus has broken the snare of sin,  
Set us free again

In Christ there is freedom  
No condemnation  
No condemnation

The price of sin was paid  
The curse on the Cross was laid  
We all are free in Him  
Have you told them?  
Have you told them?

Do they know Him?  
Can you show them?

Freed from the curse  
Of anger and betrayal  
And the shame of our fathers  
All on the Cross by a nail

You've been given  
The Keys to the Kingdom  
Set them free  
If you have believed Him

The dead are being raised  
The power of the Cross is being praised  
The Father is glorified through the Son  
It is done! It is done!!

Thank You Lord  
For the Keys to the Kingdom  
Thank You Lord!!  
Help us use them.  
Help us use them!!

[Outro]  
Thank You Jesus!  
For the work done on the Cross  
You took my life of dross  
Thank You Jesus!!

Your mercies never fail  
Satan's kingdom to assail  
It is no party  
It is no party

Thank You Lord  
For the victory won  
And for the Keys to the Kingdom  
Thank You Lord
