

ANOTHER JESUS

Another Jesus
(Another Jesus)
Comes with ... Another Gospel
(Another Gospel)
And the stamp
Of 'do what pleases!!'
(The spirit that pleases)

They muddy the water
Stamping with their feet
They flatten the pasture
That feeds the sheep
(That is meant for the sheep!)

Now, I say:

Have you met Jezebel's Jesus?
He's an easygoing type
Endlessly romantic
And he just LOVES her hype!!

He is so forgiving
You can trample on his blood
'He knows you do not mean it!'
Jezebel laughs out loud

You can be a star on your phone
(Such a really cool thing)
Jezzy's Jesus says to the world:
'You can come on in!'

(Oh really!)

Now here's another:

Cessationist Jesus
Has REALLY left the building
They place "the letter that kills"

Above the Lord of the living

Then -

What about Catholic Jesus?
He's rather stern, that one!
He is always needing money
And you have to sweet-talk his Mum!!!
(Worship and idolise ... his Mum...)

And again:

Sweet baby Jesus
A baby in Mary's arms
Doesn't know ...
What goes on
(Like the Holy Ghost
Dead and gone!)

(Oh really?)

Here's another:

The New Age Jesus
Is really very chill
One of many gurus
But he's special still

Then ...
HippyJesus
Is really kinda woke...
Long-haired and very cool
And you sort-of HAVE to smoke!!!

Here comes:
Charismatic Jesus
Give me money for what you want!!
Drunkenness and lying signs
That is what they flaunt

Hebrew Roots Jesus
Is not so much a thing
It's all about what YOU do!

(With lots ... and lots!)
Of (serious, very serious) rule-keeping!!

(The Sabbaths ... the feasts ... the temple ... building)

And you have to get the names right!
If you want the power...
Learning modern Hebrew
Hour after hour

Happy Jesus
Sweet baby Jesus
Guru Jesus
Jesus, king of the world
Jesus, I want a sign
Gimme Jesus,
are you listening Jesus ...

You're meant to
Give me what I want!!
I really like the tingles
I really like the songs

Happy Jesus says
You cannot do anything wrong
Really, it's all right
Sing another song

Another gospel - Another Jesus
Brings a great divide
And a different spirit
Everyone choose a side

Add a bit
(Add a LOT)
Snip out a bit
(Skip a bit)
They twist the Word of God
Aligning with the serpent
Twisting the Word of God

Loose with the Truth
(Twisting the Truth)

Serving themselves
False teachers
False preachers
Deceivers
Persuaders

Not believers
Deceivers

I have turned around
And I've chosen life

I have turned around
And I've chosen life
