

LEECH Lyrics

The leech has 2 daughters
They cry “give give!”
All the time
(All the time)

“Give your time
Give your money
Give your energy
Give your life
Give!! Give!!”

They are NEVER satisfied
(Never satisfied
Never satisfied)

3 things are never satisfied
And 4 never say “enough!”
They will keep you tired
(Keep you mired!)
But we say “ENOUGH!”

(ENOUGH!)

The dry earth is one of these
Water just runs straight through
Nothing can grow in it
Barrenness ensues
(Barrenness ensues)

Dry - so dry
That water runs right through
No fruit - no fruit - no blessings
Good is stolen - from you

We say “ENOUGH”
We say “ENOUGH!!”
We say “ENOUGH!”

“ENOUGH”

ENOUGH!!

The barren womb is another
That is never satisfied
Unfruitful (so unfruitful)
Not bearing a child
(Not bearing a child)

Unfruitfulness
No child to bless
A wife’s tearful cry
Sadness in
her husband’s eyes

We say ENOUGH
There shall be fruit in you
ENOUGH!!
There shall be
fruit from you

ENOUGH!!
We say “ENOUGH!!”
(ENOUGH!!)

Hades is another
That is never satisfied
Hades is always waiting
Waiting for all to die

Waiting - always waiting
And never satisfied
(Never satisfied
Never satisfied)

The gates are shut to Hades
The sting is removed from death
Our life is hidden in Jesus
He said “it is finished!”
And we say “ENOUGH!!”

“ENOUGH” to the fire

That never says “enough”
“ENOUGH” to its’ consuming
Consuming the life in you
 (“ENOUGH” to the consuming
Of the life in you)

The curse of the leech is broken
Broken off my life
Broken off my bloodline
By the Blood of Jesus Christ

Enough
ENOUGH!!!
By the Blood of Jesus Christ

We say “ENOUGH!!”
ENOUGH to all vampires
ENOUGH to Satan
And the power of his lies.

“ENOUGH!” to the dry earth
Be flooded right through
With the water of the Spirit
And the water of the Word

So we may retain the Blessings
And retain the Word
Let there be Rivers of living water
ENOUGH to be shared!!

Fruitful in our talents
Fruitful in the womb
Fruitful in our lives
Life that does not see the tomb

Fruit of the Holy Spirit
Fruit of Agape Love
ENOUGH to Satan and his game!

ENOUGH!!

ENOUGH

ENOUGH!!!!!!
