

ADDICTION

Addiction digs a well
A well that you can drink from ...
(Addiction digs a well)
A well so deep
That it will reach.....
The very cisterns...
Of Hell
(The cisterns of Hell!)

False comfort
(It is no comfort)
It is not escape(not escape)
It is running right through ...
Through Satan's gate

[Chorus]
Don't be blind to it
(Or lose your mind to it!)
Why should Addiction have its' way with you?
Don't be BOUND by it!
Or too proud
To turn ...
Turn around
Turn, turn around

Addiction feeds the flesh
(The flesh of death
Flesh of corruption)
Addiction feeding the flesh
The flesh that holds ...
It holds ... the sting of death
(Flesh that holds
The sting of death!)

Addiction separates you ...
From your Father and your Mother
Addiction separates you ...
From your sister and your brother

And from your God ...
Your Creator.
(And from your God .
Your Creator)

[Chorus]
Don't be blind to it
(Or lose your mind to it!)
Why should addiction have its' way with you?
Don't be BOUND to it!
Or too proud
To turn ...
Turn around
Turn, turn around

Just turn around

It is Rejection that feeds Addiction
It is a deep - deep strong root
Feeding the lies of Satan
Producing evil fruit!!

What is the fruit,
The fruit in your life?
Don't believe
Don't believe the lie
Satan's lie ...
For your life
(Don't believe the lie, for your life!)

[Chorus]
Don't be BLIND to it!
(Or lose your mind to it!)
Why should addiction have its' way with you?
Don't be BOUND to it
Or too proud
To turn
Turn around
Turn, turn around

Just turn
Turn around!

Addiction is your religion
And witchcraft at its' worst
Addiction brings destruction
And every kind of curse

Why should you throw your life away !?!
Give it to a bottle?
Give it to a dealer?

Don't you know?
(DON'T YOU KNOW!!!)
You can do better!!
(You CAN do better
You can do better!)

[Outro]
Don't be blind to it
Don't let Addiction rule your life!
Take it back
Take it back
Take back your life

Seek after God
Seek the Lord of Life!

Let the power of addiction
Be broken off your life
When you say "I am redeemed!!
By the Blood of Jesus Christ"

I am redeemed
I choose to live ...
I am Redeemed
By the Blood of Jesus Christ

Living God's way
For my life

I have turned around
And I've chosen life

I have turned around
And I've chosen life
