

ANOTHER EVIL REPORT

God brought them out of slavery
He brought them out miraculously
But still they murmured and complained

They had
an Evil Report
An evil report
Speaking ...
against their God
(Not in agreement ...
With their God)

They did not believe...
They could not perceive...
What the Lordhad in store
For their...
generation
They persisted
And persisted ...
To walk
In rebellion
(In rebellion ...)

God was doing a new thing
They did not perceive it
God was bringing them in
They did not receive it

[Chorus]

They had ...
an Evil Report!!

An Evil Report
Speaking ...
Always speaking ...
Against their God

They murmured and complained
Blaspheming God's name
Preferring to die ...
in the desert
Wanting to return
- to slavery
In Egypt

Always looking back
-To what they once had
Not wanting holiness...
Not wanting
The miraculous

[Chorus]

They had
An Evil Report
An Evil report
Speaking against their God
(Speaking against ...
Their God...)

Spiritually blind
Living in their carnal mind
Ruled by the flesh...
They did not pass the test
(They did not pass the test)
(Ruledas they were ...
By the flesh ... by they flesh ... by the flesh)

[Chorus]

They had ...
An Evil Report
An Evil Report
Speaking against
Their God ...
(Not in agreement
With
Their God)

Naïve-gazing generation... Self-focused generation...
Disobedientgeneration
Evil speaking,
Hard-hearted ...
Idolatrous ... generation

Only wanting their idols ...
And wanting to feed the flesh.....
And turning away ... turning away ... always turning away ...
From holiness

[Chorus]

With their
Evil Report!!
Evil Report
Speaking against their God
Speaking ...
Against their God

Turning away
...

(Turn, turn
turning away)

From Holiness

Turning away
Turning away

From the Holy One

Turning away

From God
